2023 Charity List

GIVE HAPPY today at GiveCFC.org

 **CFC** An OPM Initiative

How to Use This Charity List

Nearly 5,000 federations and independent charities participating in the 2023 campaign can be found in this document. Additional participating charities can be found in the online charity search at: <https://cfcgiving.opm.gov/offerings>. You can search for specific charities in this document by using the **CONTROL + F** keys and then typing a word you would like to search. Each charity listing contains the information provided in this sample.

Charities are divided into three sections: National/International, International, and Local. Use the Table of Contents and the clickable CFC zone map to jump straight to a particular section. Or use the search feature to find a specific charity

How to Print This Charity List

To print a hard-copy of the Charity List including the national/international charities, international charities, and charities applicable to your local CFC zone, open the print window and copy/paste the corresponding pages from the table below for your CFC zone.

Make an Impact

When our community or nation draws on the potential, strength, ingenuity, and character of every person in it, we become healthier, happier, and more prosperous and build a better place to live for all. As Federal employees, we exemplify this ideal.

As public servants, you see firsthand the dedication, professionalism, and generous nature of our federal community. These attributes extend beyond our employment into our annual participation in a federal tradition: the Combined Federal Campaign (CFC). We serve our country with honor and distinction. Through the CFC, we can make even more of an impact in our communities, throughout the nation, and around the world. – Through volunteering, through philanthropic giving, and through leadership and advocacy for the causes closest to our hearts and minds.

While we have these lofty goals, the reality is that for too long, too many people have faced barriers to fulfilling their ability to thrive – some face greater barriers than others.

We know that these barriers can be overcome. But we recognize that the Federal government – as big as it is -- cannot do it alone. A key team of our partners in these goals includes tax-exempt charities which also are serving our world, our nation, and our local communities.

The crises and needs of today and recent years — a global pandemic, economic issues like inflation, social movements, and accelerating climate change to name a few — have exacerbated inequities that were already deep and that will persist until the underlying causes are resolved.

Call to Action: Give Happy, Get Happy

Through the CFC, members of the Federal community go beyond their call to public service by contributing to the thousands of charities that work to improve the quality of life for all. The funds raised through the CFC help people and communities in need and reflect the generous nature of the Federal community. The overall theme – “GIVE HAPPY” – connects giving with happiness, showing that when Federal employees give together, they spread happiness and they get happier too.

GIVE HAPPY leans into the happiness that results when donors give to charities who are making people’s lives better.

What is the Combined Federal Campaign (CFC)?

The CFC is the only authorized solicitation of all Federal employees in their workplaces, postal service employees, Active-Duty military, retired members of the military, and retired civilians on behalf of approved charitable organizations. CFC solicits once-a-year contributions in the workplace and provides employees, retirees, and others the opportunity to make one-time or recurring charitable contributions through payroll deductions or other means.

Federal employee giving makes CFC one of the largest and most successful workplace philanthropic fundraisers in the world. Continuing a long-standing tradition, Federal employees, postal workers, and members of the uniformed services pledged more than \$70 million to charitable causes last year. The pledge total includes more than \$70.5 million in financial pledges and \$2.1 million from the monetary value of volunteer time.

What is the mission of the CFC?

The mission of the CFC is to support and promote philanthropy through a voluntary program that is employee-focused, cost-efficient, and effective in providing all Federal employees the opportunity to improve the quality of life for all.

When did the CFC begin?

The Federal Government created the CFC in 1961 to coordinate the fund-raising efforts of various charitable organizations, making this a long-standing Federal tradition we can be proud to support. Since its inception, Federal employees have contributed more than \$8.7 billion to charities through CFC.

What is the structure of the CFC?

There are 36 campaign Zones in the CFC. Each Zone organizes the annual fund-raising effort in the local Federal workplaces, military installations, and post offices in that jurisdiction or overseas.

The Office of Personnel Management (OPM) regulates the CFC and provides guidance and oversight to the local campaigns.

A Local Federal Coordinating Committee (LFCC) oversees the CFC in each Zone for OPM. Federal employees, Active-Duty military, retirees, and representatives of Federal labor unions can make up the membership of the LFCC. The LFCC ensures that campaign workers conduct the CFC according to Federal regulations and policies. The LFCC also makes application decisions on local charities.

The LFCC also supervises the local Outreach Coordinator (OC). That contractor is hired by OPM to administer the CFC in the local Zone. The LFCC uses the OC to implement the campaign plan, conduct marketing activities, arrange for special events such as Charity Fairs, and educate charities and employees regarding the program.

OPM also contracts with a charity to serve as the Central Campaign Administrator (CCA). Currently, that organization is The Give Back Foundation. The CCA is the organization responsible for developing and maintaining the CFC Online Donation System (<https://cfcgiving.opm.gov/welcome>) and the charity application module (cfccharities.opm.gov), as well as making distributions to the charities you designate in your pledge.

How is the CFC regulated?

The Combined Federal Campaign (CFC) Regulations govern all aspects of the CFC. Executive Orders [12353](#) (external link) and [12404](#) (external link) authorize the Office of Personnel Management (OPM) to prescribe rules and regulations to facilitate fund-raising on behalf of charitable organizations through on-the-job solicitation of Federal employees and military personnel, and to ensure that recipient agencies are responsible in the use of the funds raised. CFC Regulations can be found in Title 5, Part 950 of the [Code of Federal Regulations](#) (external link) maintained at most regional and university libraries.

How does CFC use innovative technology?

CFC leverages state-of-the-art technology through:

- One common online portal for Federal employees, postal workers, active-duty military, retirees, and contractors to use when giving to charity through CFC (<https://cfcgiving.opm.gov/welcome>). This site allows:
 - The ability to make multiple types of online gifts (payroll deduction, credit, debit, and checks).
 - The ability to search for charities and pledge hours of volunteer time; and
 - The ability of Federal annuitants and military retirees to donate via a deduction from their retirement pay.
- One common application site for all charities (cfccharities.opm.gov). This site allows:
 - The ability of all charities (local, national, and international) to submit annual applications to CFC.
 - The ability for charities to track pledges and payments; and
 - The ability of campaign workers to track campaign progress with daily updates of pledges.
- Both sites are smartphone friendly.
- A CFC Giving Mobile App for Apple and Android devices allows a donor to pledge on the go. The Mobile Giving App allows donors to find CFC events like charity fairs, fund-raisers, and more. Donors can search for a charity and make a one-time pledge using a bank account or credit card. The app also supports Touch ID and Face ID

for easy and secure access to your giving account. Using the same log-on username and password integrates the rest of the donor's desktop profile from <https://cfcgiving.opm.gov/welcome>, allowing for a donor to select a recurring pledge through payroll deduction and all other features (such as the ZIP code for zone integration and the Department, Agency, and Office profile).

How does CFC ensure public accountability?

OPM assures Federal employees that CFC honors their designations and distributes those funds to the charitable organizations they choose. OPM achieves this in several ways:

1. OPM maintains eligibility and public accountability criteria that all participating CFC charities must meet. For details, see CFC Regulations in 5 CFR Part 950 at www.opm.gov/combined-federal-campaign/reference-materials/.
2. Every year, OPM makes final application decisions for all local, national, and international charity applicants and resolves charity admission appeals.
3. OPM and Federal contract rules set strict requirements and provide ongoing guidance for the activities and conduct of the CCA and the OCs. OPM verifies the fiscal integrity of the campaign annually through compliance and financial audits completed by the CCA, an independent CPA, or the OPM Inspector General.

What is the CFC Charity List?

The Charity List is a web-based and paper display of local, national, and international organizations that have met CFC eligibility requirements. Key features include the organization's five-digit CFC code, IRS Business Master File name (shown in parentheses if it is "doing business as" another name), a 25-word statement of purpose, and its administrative and fund-raising expense rate (AFR).

Sample Charity Listing

11405 ABC Charity (Alpha-Charity) (800) 555-5555 www.abccharity.org
EIN#123456789 ABC Charity attacks the causes of hunger and poverty by promoting effective and innovative community-based solutions that create self-reliance, economic justice, and food security. 15.8%

What factors should I consider when choosing a charity?

Follow your heart and your head when selecting a charity. The EIN, AFR, and Service Categories are included to help you identify organizations that meet your interests and performance standards.

The Internal Revenue Service (IRS) issues the **Employer Identification Number (EIN)**. You can use the EIN to obtain additional information about an organization from the IRS. IRS data is at <https://www.irs.gov/charities-non-profits/exempt-organizations-business-master-file-extract-ee-bmf>. Or you can use other sources such as the Better Business Bureau, Charity Navigator, Guidestar, or other charity rating organizations. Please Note: You may find an organization's tax-exempt status is under an umbrella organization (such as a parent organization or headquarters).

The **Administrative and Fund-raising Rate (AFR)** represents the percentage of dollars spent on expenses other than services. The CFC calculates the AFR as a percentage of the organization's total support and revenue. If you have questions about an AFR ratio, review the CFC procedures for computing that on the [CFC application](#). You also may ask to review its IRS Form 990, which is available to the public and often posted on the organization's website.

Through an internet search, you may look up data tracked by industry oversight organizations to understand better the financial status, service delivery record, and governance policies of the charity before donating.

The **Service Categories (Taxonomy Codes)** categorize the types of services that most charitable organizations offer. Charities self-select up to three alphabetical codes (shown below) for inclusion in the CFC charity list. CFC assigns the category "Z" (Other) to charities that did not select at least one category.

The **National Taxonomy of Exempt Entities (NTEE)** classification system provides 26 top-level categories for charity services. This system, developed by the Johns Hopkins University National Center for Charitable Statistics, is widely used in the non-profit community.

For additional guidance on selecting charities, visit the CFC website at <http://www.opm.gov/cfc>.

Can I give to a participating CFC charity not listed in my local CFC charity Zone?

Yes. You may pledge to any of the charities approved to participate in any CFC Zone for 2023. The CFC refers to giving to a local charity in a different Zone as “CFC All-Around Giving.” You can search through an online list by visiting the OPM Online Donation System (<https://cfcgiving.opm.gov/welcome>). The complete CFC All-Around Giving list is available electronically. You can make your pledge by entering the five-digit code in your online gift or on your paper pledge form.

Do I have to give through the CFC?

No. Participation in the CFC is strictly voluntary. CFC regulations forbid any coercion. You have the right to make your charitable choices independently. Rules prohibit any outside party from improperly influencing your decision to give or not to give through the CFC. Prohibited practices include but are not limited to: supervisors soliciting the employees they supervise or Active-Duty members of the military under their command; setting 100 percent participation goals; providing and using lists of contributors for purposes other than the regular collection of contributions; establishing personal dollar goals and quotas; developing and using lists to identify non-contributing employees.

BUT keep in mind the benefits of giving through the CFC: you can give through payroll deduction allowing you to give a little each pay period, you can support multiple, vetted charities with one donation, and our

collective gifts through the CFC have a huge impact, adding up to millions of dollars the CFC-charities and their beneficiaries can depend on. We hope you will join us!

If you prefer, you may donate to the CFC anonymously by placing your private gift in a sealed standard envelope. If giving online, you can stay anonymous by not releasing your name to the charity or charities you support.

Can I specify which organization will receive my contribution?

Yes. The CFC requires you to designate one or more charities. Designate the five-digit code of the charity or charities of your choice. This will ensure that your donation goes to meet the needs that you feel are most important. Designate the organization(s) of your choice when completing your online pledge or were indicated on your paper pledge form by entering the five-digit code and the amount you wish to pledge. Except for the potential of a distribution fee to help with the operational costs of the CFC, the CCA distributes all contributions as designated. There is no limit to:

- The number of contributions that an organization may receive through the CFC.

To give to more organizations than allowed on one paper pledge form, complete additional pledge forms, and staple them together. The top pledge form must contain the sum of all pledges.

You cannot designate an organization that OPM did not approve for listing in the 2023 CFC. You may only give to the organizations listed in your local CFC Charity List or to any of the other local, national, and international organizations on the “CFC All-Around Giving Search Tool” at <https://cfcgiving.opm.gov/offerings>. Regulations prohibit and the CFC will not accept designations to charities not approved for this campaign year.

How do I pledge through the CFC?

Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to create an account and pledge to the charities of your choice. You also can use a paper form (OPM Form 1654) or the CFC Giving Mobile App.

Do I have to set up an account to make an online pledge?

Yes. If you are a new user, the system will prompt you to enter your email address and select a password. You can use either a government or personal email for this account. Accessing your account will allow you to print documents at tax time and watch your pledge as the CCA distributes it to your charities throughout the year. Returning users will be able to access their previous year’s pledge data via their account, making it easy to renew their pledge from year to year.

When will CFC start to deduct my contribution from my payroll?

Your payroll service provider will deduct your first installment of a payroll deduction gift in the first full payroll period occurring **after** January 15, 2024. The solicitation period ends on January 15, 2024, at midnight local time in Hawaii.

As a federal employee, what payment methods can I use to pledge to the CFC?

You can use payroll deduction to fund recurring donations from your salary. ACH, credit, debit card, Venmo pledges can support both one-time and recurring donations. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to create an account and pledge to the charities of your choice.

Does CFC take the funds from my pay on a pre-tax or after-tax basis?

While tax-deductible, CFC deductions are not pre-tax. Federal law does not allow for charitable donations through payroll deduction (CFC or any other payroll deduction program) to be pre-tax. If you are eligible

to itemize charitable contributions on your income tax returns, you may include contributions made through the CFC. You should contact a tax advisor for more information.

Do I have to complete a new pledge every year?

Yes. Charities that participate in the CFC must submit a full or abbreviated application demonstrating continued compliance with the CFC regulations every year. Due to changes in charity participation, you must complete a new pledge each year to indicate the charities to which you wish to designate all or a portion of your contribution.

Is it possible to make a one-time gift via credit/debit card?

Yes, you can fund your pledge with a direct debit from your bank account (ACH) or via a credit/debit card. Please note that the CCA processes one-time gifts at the time you make your pledge.

The CFC also allows you to give via Text-to-Donate contributions. You can text the word "DONATE" to 978-487-5678 to receive a link to make a gift.

Can I set up a recurring credit/debit card pledge?

Yes. The CCA processes recurring giving monthly, starting in the month after the official solicitation period ends.

How do I find a charity?

You can either use the printed charity listing for your Zone or the online charity search. If using the printed list, you can browse the pages organized according to local, national, and international categories. Sections are broken into a random order of federations and independent charities within those categories. If you are searching online, select the "Find a CFC Approved Charity" button or click on the magnifying glass icon. You do not have to log in to an account to search online and you will be able to search for charities in a variety of ways (e.g., name, EIN, category, location, CFC Zone, fundraising rate, volunteer time).

How many charities can I support?

There is no limit to the number of charities you can support.

Is there a limit to how much I can pledge?

If electing payroll as the funding source for your pledge, your payroll service provider may limit the annual maximum contribution. For example, the Defense Joint Military System (DJMS) has a limit of \$9,999, which affects all active-duty members of the Army, Navy, and Air Force. If selecting a credit/debit card, or ACH/bank account, the maximum online contribution is \$99,999. If wishing to donate an additional amount, please contact OPM for instructions. There may be additional limits to the tax deductibility of your gift. OPM advises you to consult your tax advisor on this topic. The minimum amount for each designation is \$1 per charity per pay period.

What are Federations and Independent organizations?

Federations are charitable organizations that provide common fundraising, administrative, and management services to their member organizations. Member organizations may pay dues or fees to that federation as a service charge. Federations must charge those dues or fees to charities. They cannot merely deduct those amounts from CFC pledges before disbursement to member charities.

Independent organizations are not members of a federation and participate in the CFC on their own.

For additional information on a federation and any dues/fees charged to its members, either contact the federation or its members or review the federation's annual report.

How do I designate a federation, or one of its members, to receive my contribution?

If you wish to designate all or some portion of your contribution to a federation, please record that federation's corresponding five-digit code number on your pledge form. The federation name is at the top of the list of the federation's member organizations. If you designate all or

some portion of your contribution to an affiliated federation member organization, please record the affiliate organization's corresponding five-digit code number on your pledge form.

How do I designate an independent organization to receive my contribution?

You may designate an independent organization not affiliated with a federation by entering that organization's five-digit code number on your pledge form.

What happens if I do not specify an organization or federation to receive my pledge?

You must designate all funds contributed through the CFC to a specific organization or federation. The CFC does not collect undesignated pledges.

What happens if a charity goes out of business before it gets all its funds?

The CFC disburses designed funds to specified charities until we find that the organization is unable to accept any further funds due to closure, loss of tax-exempt status, or other reasons. The CCA will contact you to see how to disburse the remaining funds.

What is the payroll deduction option?

Payroll deduction makes it convenient for you to give by spreading your contribution across the entire year. Last year, Federal employees, postal workers, and members of the military pledged almost 90 percent of all CFC funds through payroll deduction. Payments on payroll deduction pledges begin on the first pay period beginning after January 15, 2024, and conclude with the last pay period, which includes January 15, 2025. There is no more straightforward way for you to make a difference than to contribute using payroll deduction. Payroll deduction helps you care for your community and your world.

Will I receive a receipt for my contribution?

You should print a copy of your online receipt or make a copy of your paper pledge form in addition to keeping your final Leave and Earning Statement (if you made a payroll deduction contribution), as a receipt of your pledge. A Federal employee who makes a one-time (check) contribution must maintain a bank record and a copy of the pledge form to show the name of the organization contributed to, the date of the gift, and the amount of the contribution. You should consult a tax adviser to determine if the IRS requires any additional verification of the donation.

What are the costs of the campaign?

OPM recovers the costs of marketing and outreach, training, distribution, traveling, and all CCA and Outreach Coordinator expenses through application fees, listing fees, and distribution fees paid by charitable organizations.

The distribution fee charged to pledges made in the 2022 campaign year was 24.1 percent. The CFC used these funds to maintain, operate, and upgrade the online systems; print materials; train volunteers; and other campaign management and marketing expenses. The distribution fee offsets the expenses not covered by the available application and listing fees. OPM also considers miscellaneous funds available even if they are based on expenses not spent due to virtual campaigning.

How is the fee structure determined?

The Director of OPM determines the fee structure annually based on the estimated costs of administering the central campaign and local marketing efforts. OPM announces the application and listing fee structure in the fall before the application period opens. OPM will roll over any excess funds from fees to the following campaign. OPM considers that balance when setting the Application and Listing Fees for the next campaign.

The CFC shall not reimburse any expenses for food or entertainment to the Outreach Coordinator for CFC events. However, the LFCC shall reimburse the Outreach Coordinator for travel-related costs under the Federal Travel Regulations.

When does the CFC recover the fees?

Charity application fees are due at the time of the filing of the application or by the application deadline, whichever occurs last. OPM will not consider a charity application if the organization did not pay the application fee for that campaign year.

CFC regulations require the additional listing fee from all charities approved to participate in the campaign. Listing Fees allow OPM to include these charities on paper or electronic Charity Lists. The Central Campaign Administrator will not process pledges to any charity that does not submit the listing fee before the annual deadline set by OPM.

Finally, OPM may assess a distribution fee against pledges received should the application and listing fees not cover all the costs of the campaign.

What is online pledging or e-giving?

E-giving, in general terms, provides you with the additional pledging tools of the searchable charity list and pledge form available “online” via the internet or your workplace intranet.

OPM introduced a national CFC Online Donation System accessible to all civilian employees and Active-Duty members of the military at work, at home, or via mobile-friendly websites viewable on smartphones and tablets. This system (<https://cfcgiving.opm.gov/welcome>) replaced any former systems in use for campaign years before 2017.

This paperless process is one method that CFC implemented to “go green” and reduce administrative costs related to the processing of pledges.

Can I still give to an organization if I cannot find the CFC code, I used last year?

No. Federal civilian employees, postal workers, and Active-Duty members of the military may not designate to any charity code not listed in the 2023 database.

Although CFC codes typically do not change from year to year, you may need to find the new code for the organization. When searching, try using the organization’s Employer Identification Number (EIN), or their name. If you are still having trouble finding the organization, please verify with the organization that OPM approved its application for the 2023 CFC and, if so, ask for their new CFC code.

Does CFC allow me to pledge volunteer time instead of money?

Yes. Executive Order 13743 allows Federal civilian employees and members of the uniformed services to make pledges of volunteer time through the CFC in addition to financial contributions. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to search for charities that offer volunteer opportunities and pledge time.

How do I pledge volunteer hours?

You can pledge volunteer hours when completing your pledge. The charity listing, both in print and electronic formats, identifies charities that are participating in soliciting volunteer time from Federal employees and members of the uniformed services. You can search for charities that offer volunteer opportunities. Please indicate the number of hours you would like to pledge to the charities of your choice. Visit the CFC Pledge System at <https://cfcgiving.opm.gov/welcome> to search for charities that offer volunteer opportunities and pledge time.

What if I pledge volunteer hours but do not perform the hours?

The CFC expects you to honor pledges of both financial and volunteer time; however, you can cancel your pledges at any time if your situation changes.

Does the government insure me from loss or bodily injury while volunteering?

No. You will complete most volunteer work on personal time. In the limited cases where you pledged volunteer time to charities and are using administrative leave to fulfill the obligation, please refer to your

department or agency policies. If you are not using administrative leave, worker’s compensation does not cover you if injured while doing volunteer work.

Am I representing my federal department or agency when volunteering with a charity?

Volunteers fulfilling volunteer time via the CFC program are not on official Government business. If you pledge volunteer time and use administrative leave to fulfill the obligation, please refer to your agency policies and guidelines.

How does the charity contact people who pledged volunteer hours?

When you pledge monetary or volunteer donations, you have the option to share your contact information. If you answer “yes” and share that personal information, then the charity will receive that to contact you. CFC allows charities that receive the contact information to call or write to you directly. In the 2022 campaign year, about 27 percent of Federal contributors release their data to the charities they support. Many Federal contributors consider the ability to give anonymously as one of the benefits of giving through the CFC. Keep in mind, that if you pledge to volunteer and do not answer ‘yes’ to release your information, the charity will have no means to reach out and contact you. It will be up to you to initiate your volunteer pledge time with your charity of choice.

How do I get a tax receipt?

To obtain copies of tax receipts for your 2017-2021 contributions, log in to your account at <https://cfcgiving.opm.gov/welcome>. Navigate to <https://cfcgiving.opm.gov/welcome/tax>. There you can choose a donation year and print a copy of the tax receipt of your pledge. If you used a paper pledge form, call the CFC Help Desk to obtain a tax receipt. (Note: According to IRS guidelines, donors are responsible for obtaining a written acknowledgment from a charity for any single contribution of \$250 or more before the donors can claim a charitable contribution on their Federal income tax returns.)

How do I cancel my CFC payroll deduction?

You can cancel your CFC payroll deductions at any time. Cancellation is the only change permitted to your pledge outside the official solicitation period. If you cancel your pledge during the official solicitation period, you cannot submit a new pledge until the next Open Season. From the “Your Pledge” screen, select and click on “Cancel Balance” at the top right. The Pledge System will ask you to confirm your intention to cancel the pledge. Select and click “Yes, cancel pledge” to continue. The online donation system will confirm “Cancellation” at the top of the “Your Pledge” screen. If you submitted a paper pledge form, contact the CFC Help Desk at The Give Back Foundation to cancel your pledge.

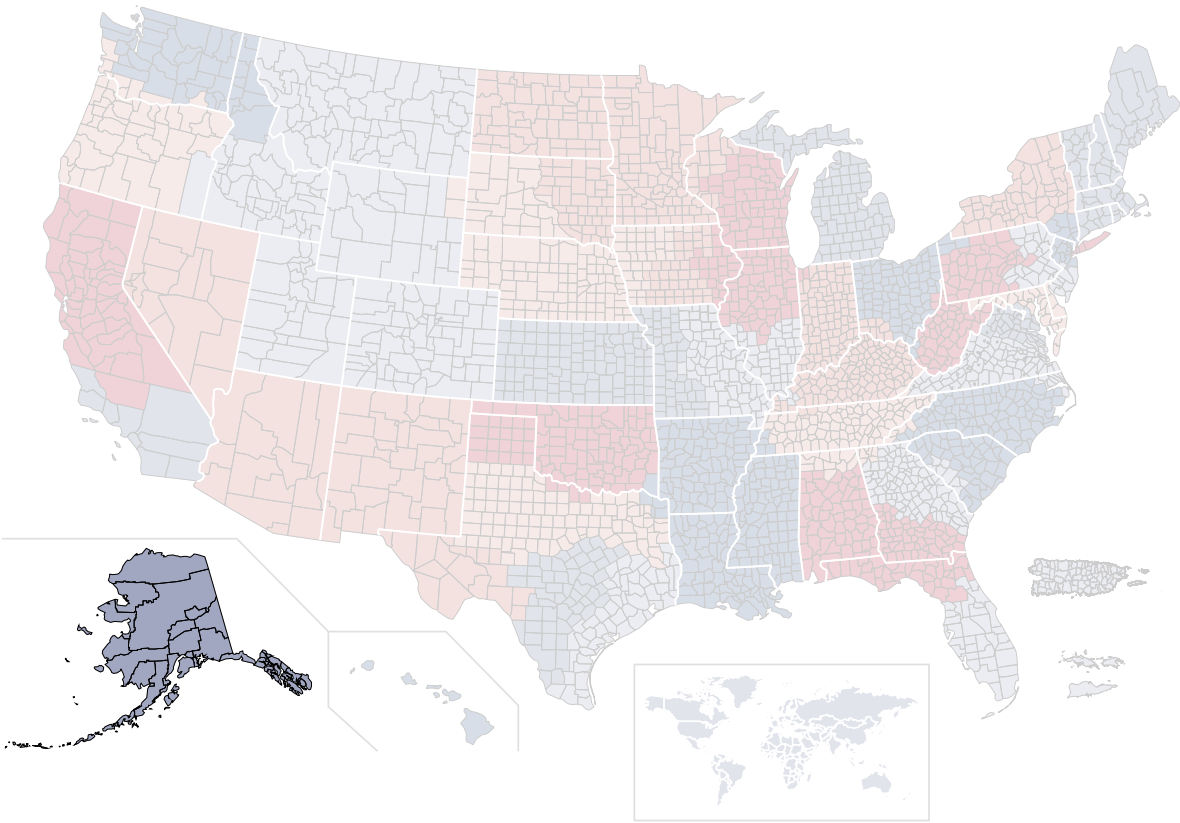

Note: If you change Federal jobs, you may transfer your pledge to the new payroll service provider at your new organization. OPM does not consider this transfer as a pledge change.

Where can I get additional information?

For information about the CFC, including details on the public accountability standards for participating charities, how to contact your local CFC campaign, and more, visit the CFC Home Page at www.opm.gov/cfc or pledge online at <https://cfcgiving.opm.gov/welcome>.

How the CFC Works

Federal employees and retirees represent a strong, caring community through the CFC, dedicated to making a difference for those in need. The CFC, an OPM initiative, offers the Federal community the opportunity to donate to thousands of participating charities. Here's how it works:

Choose your cause.

Whether you care about finding cures for diseases, supporting military families, or promoting equality for all, the CFC has vetted charities for any cause you are passionate about. You can even give to multiple charities with one pledge.

Make your pledge.

GIVE HAPPY by donating a little from each paycheck or pledging a few volunteer hours a month. It adds up to so much happiness when we give together.

The online pledge portal allows you to easily renew your pledge each year and offers the full range of pledge options:

- ★ Payroll deduction (the most popular!)
- ★ Credit/debit card
- ★ E-check/bank transfer
- ★ Volunteer hours (Federal employees only)

Other options include paper pledge forms, the CFC Giving Mobile App, and Text-to-Donate.

Get happy.

Studies show that when you GIVE HAPPY, you get happy too!

GIVE HAPPY today at GiveCFC.org
