

September 7, 2022

OFFICERS
HUMAN RESOURCES MANAGERS
DISTRICT MANAGERS

SUBJECT: 2022 Combined Federal Campaign

The Combined Federal Campaign (CFC) is one of the world's largest and most successful workplace charity drives. I am honored to serve as the Postal Service's chair once again for this year's effort, which will run from September 1, 2022, and continue through January 14, 2023.

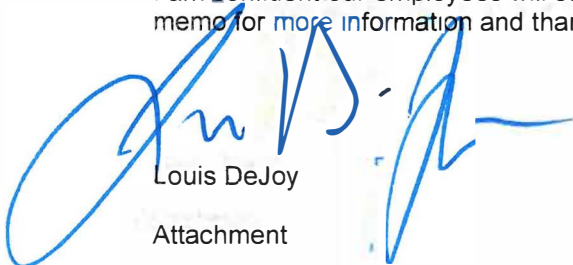

Since it began in 1961, the CFC has raised more than \$8.6 billion for charities and people in need. This is an incredible record of charitable giving, but as you can imagine, with all that has happened during the past two years, many of these organizations are now struggling to survive.

To ensure that every employee is aware of the CFC, understands its importance and has an opportunity to contribute, I am asking each region, division, and district to select volunteers from within your organization to serve as campaign managers and keyworkers.

The following memo explains the importance of this role, and how to inform Postal Service Headquarters of the selection.

The Postal Service is regularly one of the top 10 fundraisers in the campaign. Last year, postal employees gave more than \$4 million in pledges and contributed 6,600 volunteer hours at a time when many were facing their own challenges during the pandemic.

I am confident our employees will continue their tradition of generosity. Please read the following memo for [more information](#) and thank you for your continued support of the CFC.

Louis DeJoy
