MEMORANDUM FOR ALL DEPARTMENT OF JUSTICE EMPLOYEES

FROM: Jolene Ann Lauria
Acting Assistant Attorney General
for Administration

A handwritten signature in black ink, appearing to read "Jolene Ann Lauria".

SUBJECT: 2022 Combined Federal Campaign

The U.S. Department of Justice's (DOJ) participation in the 2022 Combined Federal Campaign (CFC) began on September 1, 2022, and will conclude no later than January 14, 2023. The CFC is one of the world's most successful workplace giving campaigns, raising more than \$8 billion since its inception. Last year, DOJ contributed over \$1.8 million on behalf of charitable organizations across the globe. Additionally, DOJ employees pledged over 1,400 volunteer hours to provide valuable work experiences and build meaningful community connections with those organizations.

The CFC enables you, as Federal employees, to donate to thousands of participating charities at the local, national, and international levels, and shows all Americans that DOJ employees care about our communities. Through CFC, donors choose the option of giving through payroll deductions, credit/debit card, or check. Regardless of how you give, your donation will go to a cause that means something to you.

If you have pledged before, the online giving platform makes it easy to renew your gift. If you are new to the CFC, talk to your Keyworker, or visit [GiveCFC.org](https://www.givecfc.org), to learn how you can join the community. There are countless causes to choose from and multiple ways to pledge. Your gift remains anonymous unless you choose otherwise, and the contributions you make will support charities through unrestricted funds, helping them respond wherever the need is the greatest.

Please take an opportunity during the coming weeks to consider donating. Thank you for being the face of change for charitable causes like helping communities recover from disaster, supporting military families, ensuring education for all, and making a positive difference.
