When using Login.gov to access the system will I still have access to my existing Donor Account?

Yes. To automatically link your Login.gov account to your existing Donor Account you must sign into Login.gov using the email address associated with your existing donor account.

What should I do if I am having trouble adding an email address to my Login.gov account?

Contact the **CFC's Online Giving System Help Center at (800-797-009)**, and they can assist with linking your two accounts together.

How do I log out of the system?

With the Login.gov integration there are now two sign-outs. When you sign-out of the Giving System, you will be logged into the system, however, your sign in to Login.gov may still be active depending on your account settings. If you want to completely sign out of both systems, please navigate to Login.gov and choose to sign out.
